The School

A K-12 co-educational, private, day school founded in 2003, Dhirubhai Ambani International School provides a learning environment that encourages children to bring out the best in themselves and which supports their all-round development, through discovering the joy of learning, awakening and illuminating their intellect in multi-dimensional ways, and instilling abiding values in themselves. DAIS believes that a curriculum of excellence with a global dimension is central to the education of children to face the challenges of the 21st century with confidence, strength of character and live by our motto 'Dare to Dream, Learn to Excel'.

Curriculum

DAIS offers the Indian Certificate of Secondary Education (ICSE), the International General Certificate of Secondary Education (IGCSE) and the International Baccalaureate Diploma Programme (IBDP) curricula. Students in Lower Kindergarten to Grade 7 follow an integrated curriculum that draws on teaching programmes of national and international examination boards. The School is also a member of the Cambridge International Primary Programme (CIPP). In Grades 8 to 10, students choose either the Indian Certificate of Secondary Education (ICSE) or the University of Cambridge's International General Certificate of Secondary Education (IGCSE) programme. All students in Grades 11 and 12 pursue the International Baccalaureate Diploma (IBD) Programme. Admission to DAIS is selective and is completed through a process of application, testing and interaction. Applicants admitted to the IBD Programme include the school's Grade 10 students progressing to Grade 11, as well as external applicants who go through a two-stage admission test and a one-on-one interaction.

Academic Calendar

The school calendar consists of 198 in-session school days divided into two semesters. The first semester is in session from 19th July to 21st December 2013. The second semester runs from 6th January to 4th June 2014. DAIS has a block schedule with six periods of instruction daily.

Case Load

In Grades 9 and 10, ICSE students may enrol in 8 courses of two years duration. Students pursuing the IGCSE program may enrol for a minimum and maximum of 8 and 10 courses respectively. In Grade 11 and 12, all students enrol for the IBD Programme to complete a total of six 2-year long courses (3 at the Higher level and 3 at the Standard Level), a Theory of Knowledge course, a 4000 word independently researched Extended Essay and a minimum of 150 hours for Creativity, Action and Service projects.

Student Opportunities

Students actively engage in sporting and co-curricular activities at a very high level while integrating service to community as part of their education at DAIS.

- The School has a very active MUN programme. In 2006, DAIS received affiliation to THIMUN (The Hague International Model United Nations), a remarkable milestone as ours is the first school from India to achieve this honor. The Annual DAIMUN (DAIS Model United Nations) Conference provides opportunities for students to deliberate on contemporary and critical issues the world faces, in addition to developing leadership qualities;

IBD average score:	39.6/45

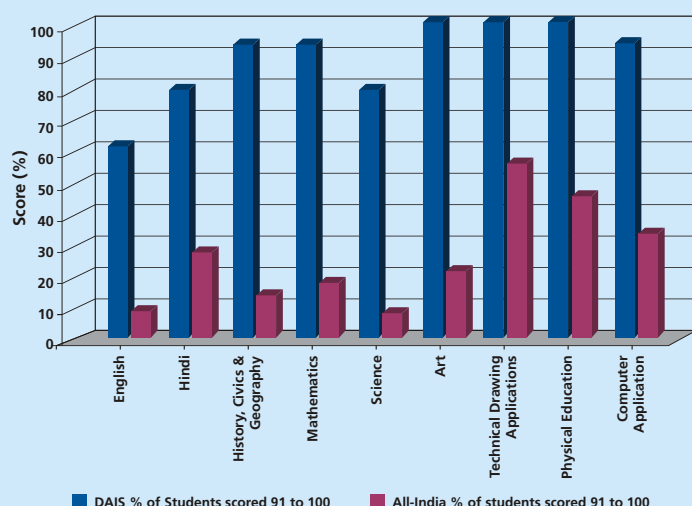

- A Global Member of Round Square, DAIS has successfully integrated the Round Square IDEALS (Internationalism, Democracy, Environment, Adventure, Leadership and Service) through a number of activities and exchange programmes;
- As part of their engagement with many social causes, students from class III onwards are involved in various community service activities. While the younger children visit old age homes, orphanages and support underprivileged children, our secondary school children are involved in the development of two villages - Hassachipatti (a village near Matheran) and Kumbharghar (near Patalganga), with focus on education, infrastructure and economic empowerment. Our school also welcomes participation of students from Round Square Schools and other schools in India and from around the world;
- Our school's other community service initiatives include the 'Across the Road' project which supports children from underprivileged slums adjacent to the School for their educational and developmental needs. The DAIS Akanksha Centre supports the education of children from neighbourhood slums. Our students also work with several NGOs or institutions – Advitya, Akanksha, Muktangan, Pratham, Aseema, Bhau Daji Lad Museum, SNEHA.
- The International Award for Young People (IAYP) encourages overall development of young adults by challenging them in four areas - physical recreation, skills, service and expeditions;
- Additional Off-Campus Infrastructure – The DAIS Study& Activity Centre at an 18 acre off-campus site in Matheran gives children the opportunity to experience an exciting outdoor environment, to share moments of reflection and engage in sporting activities
- Through exchange programmes, DAIS encourages students to adapt themselves and be part of a whole new world experience, exposing them to various cultural contexts and opportunities for social service. The School has several exchange programmes - with L'Ermitage School, Paris; IES Ramiro de Maeztu, SEK Ciudadcampo International School, Madrid, Spain; and Open Gate School, Prague, Czech Republic
- In 2008 and 2010, the School had the distinction of being adjudged the best co-educational school in sports in Mumbai by the Mumbai Schools Sports Association (MSSA), an acknowledgment of our sporting accomplishments in football, basketball, cricket, judo, soccer, judo, taekwondo, swimming, squash, tennis, table-tennis, and badminton.
- In 2010, our School received Associate Membership of NESA (Near East South Asia Council of Overseas Schools). An association of 100 private, independent international schools, NESA works towards offering students the best possible education by promoting professional and personal links amongst educators;
- DAIS Leadership Series (DLS) was introduced at the school in 2013 with a view to providing opportunities to students to listen to compelling stories from some of India's leaders and draw inspiration and insights from them as they get ready to face the future
- With the growing appreciation of TED Talks as a teaching and learning tool and a catalyst for innovation and change, our school has formally launched TEDxYouth@DAIS in August 2013.

Grading

In Grades 9 and 10, the grading is A* to U for those doing the IGCSE (with A* the highest), and percentage marks for those pursuing the ICSE examination system. Students in Grades 11 and 12 receive the IB grades of 7 to 1 (with 7 being the highest). All students receive a Cumulative Grade Point Average (CGPA) on the basis of their work completed in grades 9 to 12. The conversion table for the calculation of the GPA is provided in the transcript. The school does not rank its students.

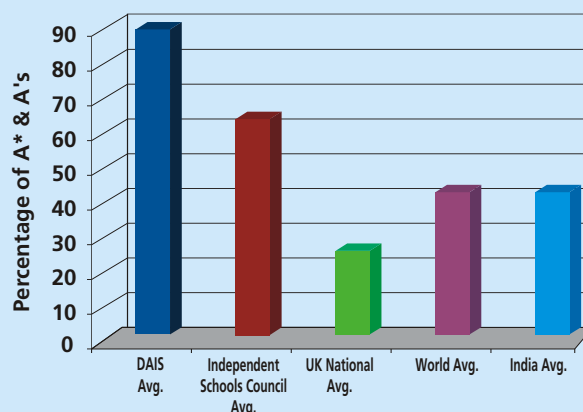

Dhirubhai Ambani International School ICSE Class X Results 2013

In the board examinations held in 2013, all the 28 students of our eighth batch of ICSE Class X have achieved outstanding results:

- 12 students have scored 95% and above
- 14 students have scored between 90% and 95%
- Our Topper has scored 97%
- The School's average score is 93.82%
- **All our students** achieved a score of 81% and above. Only 34% students achieved this score at all-India level, as against 100% at DAIS

Dhirubhai Ambani International School IGCSE Class X Results 2013 A Comparative Snapshot

68 students appeared for the IGCSE examinations this year and they have achieved outstanding results.

- 85.3% of all grades achieved are A*'s and A's, of which 57.9% of all grades earned are A*'s and 27.4% of all grades achieved are A's
- 6 students have got 10A*'s in all the 10 subjects they had appeared.
- 13 students achieved 9A*'s and above ; also 28% of the students achieved 8A*'s and above

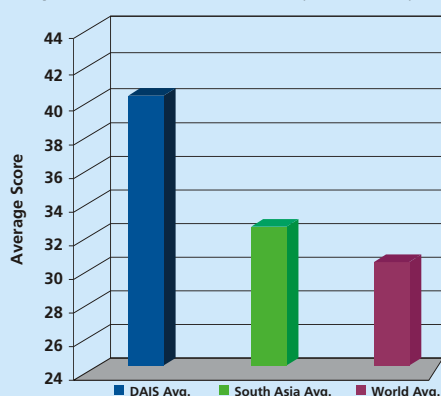

The school's average score for 2013 is 91.2% . Out of the thirteen world toppers in India this year six are from DAIS. Overall the students topped in eight subjects (six in the world and two in India). **Over the past eight years, 40% of world toppers in India are from DAIS.**
