

DHIRUBHAI AMBANI INTERNATIONAL SCHOOL

PRIMARY ART EVENT – SWACHHATA HI SEVA

The children of our Primary school have shown their support to the nation-wide **SWACHH BHARAT ABHIYAN** campaign through an exciting Art event, as art has the power to transmit ideas and change thoughts in people's minds.

In order to bring about any change, we need to start with ourselves and then extend it to our home, our neighborhood, our city and to our country, to envision a 'CLEAN INDIA'.

Inspired by Mahatma Gandhi's vision for a clean India, the children were encouraged to visualize themselves as heroes of cleanliness, who have the responsibility of advocating the message of **SWACHHATA**.

The children were asked to imagine themselves as **SWACHH SUPER HEROES** who have the special powers of creating a clean, green and hygienic environment.

The theme of the art event was '**SHWACHHATA KE SUPER KIDS!**'

The children were thrilled with the idea of transforming into Super Kids who have special abilities of spreading the message of cleanliness.

They came up with various thoughts and creative ideas in their drawings; and painted their pictures while listening to the tune and singing along the **SWACHH BHARAT** song.

Swachh Super Kids – Children’s Art Work
