

## **The Village project Report 2020-21**

The Village project group, A CAS initiative by our school, organized an online music event on 9th June 2021 for raising funds for repairing a damaged school building in Kumbargarh Village in Maharashtra. This initiative titled 'raise the roof 'was planned and organized by our students for many months and was very successful with contributions from many talented student performers. The event was conducted online and managed to raise close to 1 lakh rupees for the Village. Students planned for this event throughout the year during CAS sessions.

The students of this group also organized E-sports events throughout the year to raise funds for the village apart from this.

The Music event was headed by our grade 11 student Aryaman Meswani while the e-sports events were headed by grade 11 student Nimaye Garodia.
